MORRIS 1000

SEDANS — CONVERTIBLES — STATION WAGONS

This British Sedan is only \$1495... And Handles Like a Sports Car!

Expect up to 42 miles per gallon of gasoline, but your Morris 1000 is much more than just economical transportation. It's a family sedan with the nimble response of rack-and-pinion steering—the fun and positive action of a 4-speed gearbox. The smooth, comfortable ride of torsion-bar suspension, and the same hill-conquering O.H.V. engine of the Austin-Healey Sprite sports car! When you see your Morris dealer, rap your knuckles on the body—you'll hear the solid "thunk" of steel heavier than many expensive American cars. Solid "unit" construction, precision engineering throughout—these are the reasons the average Britisher drives his Morris 10 years. Warranty period: one full year!
